

Roll-up banners are portable, promotional branding for indoor and outdoor events. The banners are full colour graphics panels with an integral patented "pop-up" fibreglass frame. They have proved to be a highly effective marketing tool promoting brands, business messages and events worldwide. They ensure maximum exposure of your business, brand or message, indoors or outdoors with a minimum of fuss. Banner Stands only take mere moments to setup or takedown

TYPES OF STAND/BASE

There are two types of stands/bases: **1. The Flat/Big Base** **2. The Small/Slim Base**

The Flat base is more durable and stable than the slim base and therefore more expensive. Below are the images of the two
